Hound Training Agreement

In signing this form I agree to the following:

- I agree to pay the two week starting fee of \$80 in advance.
- I understand that a best effort will be made to start my hound but that some hounds simply will not start.
- I understand that a started hound is not a running hound and pups can become un-started if they are not worked after being trained. Therefore, I will take the started hound out immediately after bringing it home.
- I understand that scenting conditions are not the same in all locations, particularly when the ground is frozen. Pups that start in the high scent bottom land training area might not immediately open in more difficult scenting conditions.
- I understand that if a hound is considered too shy to train, I will pick it up when notified to do so.
- Pick up my hounds when notified and not more than 2 hours later than scheduled as it is very disruptive when we wait for someone.
- Pay the additional boarding and training fee of \$30 per week for training lasting longer than 2 weeks from the date the hounds are dropped off.
- Delays of longer than 4 days after the scheduled will be billed at the full weekly rate.
- Agree that I will not come to the training area at times other than scheduled.
- If I do not pick up my hounds within 3 weeks of notification, I agree that they may be sold to pay their training and feeding costs.
